

GIO LA GALA

Midnight Couture

Where sound meets style

BIO

Gio La Gala is a music artist shaping a refined world where sound, image, and presence converge. Rooted in theatrical performance and elevated by modern pop and electronic influences, his work blends elegance, cinematic atmosphere, and a strong visual identity inspired by fashion and nightlife.

With *Midnight Couture*, he introduces a sophisticated artistic direction where music becomes experience and style becomes narrative — merging performance, visual storytelling, and refined club energy.
